SONETTO

II

“Elegant and elusive.”

The Sonetto II bookshelf speakers embody the rich heritage of Italian craftsmanship and tradition. They offer exceptional sound quality and resonate with a profound appreciation for artistry and culture.

The Sonetto II is a 2-way speaker that not only inherits but elevates the distinguished Italian style of its predecessor. With refined materials, sophisticated design, and enhanced acoustical advancements, the Sonetto II recreates sound with an intense, unprecedented emotional impact and surprisingly powerful bass reproduction.

Optional Sonetto stands are available to further enhance their performance and placement.

Sonus faber SONETTO

DERIVED FROM SUPREMA

A testament to Sonus faber's enduring pursuit of sonic excellence. Derived from the legendary Suprema, the greatest audio system in Sonus faber's illustrious history, the Sonetto G2 series embodies a bespoke design philosophy. Each driver is meticulously engineered for unparalleled performance, incorporating advanced acoustic technologies developed specifically for the Suprema system, unveiled earlier this year.

This series brings the pinnacle of artisanal craftsmanship and audiophile refinement to discerning enthusiasts worldwide, offering a glimpse into the unparalleled legacy of Sonus faber's flagship systems.
