SONETTO

I

“As strong as it is small.”

The Sonetto I, the smallest model in the Sonetto G2 Collection, is a perfectly balanced bookshelf speaker designed for effortless setup. Its front-facing, optimised reflex duct envelops the listener in an immersive sound experience. Whether used as a standalone speaker or mounted on its dedicated stands, the Sonetto I is the ideal sound solution for smaller spaces.

Sonetto I creates a remarkably precise and immersive soundstage. The innovative design of this high-fidelity speaker reproduces music with heightened realism and depth, providing an optimal listening experience for discerning audiophiles.

Optional [Sonetto stands](#) are available for enhanced placement and performance.

## DERIVED FROM SUPREMA

A testament to Sonus faber's enduring pursuit of sonic excellence. Derived from the legendary Suprema, the greatest audio system in Sonus faber's illustrious history, the Sonetto G2 series embodies a bespoke design philosophy. Each driver is meticulously engineered for unparalleled performance, incorporating advanced acoustic technologies developed specifically for the Suprema system, unveiled earlier this year.

This series brings the pinnacle of artisanal craftsmanship and audiophile refinement to discerning enthusiasts worldwide, offering a glimpse into the unparalleled legacy of Sonus faber's flagship systems.
