SONETTO

# Wall

**“Sophisticated Versatility for  
Optimised Performance.”**

Sonetto Wall is a versatile high-fidelity loudspeaker designed for wall mounting, providing an immersive home audio experience.

Its adjustable jointed bracket allows the Sonetto Wall to meet various sound needs, making it highly adaptable. It is the perfect choice for those looking to create a space-efficient two-channel audio system or integrate it seamlessly into their home theater setup.

In the Sonetto Wall, design and performance go hand in hand, each enhancing the other. Easy to install and orient, Sonetto Wall optimises sound even in challenging environments.

## SONETTO

## DERIVED FROM SUPREMA

A testament to Sonus faber's enduring pursuit of sonic excellence. Derived from the legendary Suprema, the greatest audio system in Sonus faber's illustrious history, the Sonetto G2 series embodies a bespoke design philosophy. Each driver is meticulously engineered for unparalleled performance, incorporating advanced acoustic technologies developed specifically for the Suprema system, unveiled earlier this year.

This series brings the pinnacle of artisanal craftsmanship and audiophile refinement to discerning enthusiasts worldwide, offering a glimpse into the unparalleled legacy of Sonus faber's flagship systems.
