SONETTO

DERIVED FROM SUPREMA

A testament to Sonus faber's enduring pursuit of sonic excellence. Derived from the legendary Suprema, the greatest audio system in Sonus faber's illustrious history, the Sonetto G2 series embodies a bespoke design philosophy. Each driver is meticulously engineered for unparalleled performance, incorporating advanced acoustic technologies developed specifically for the Suprema system, unveiled earlier this year.

This series brings the pinnacle of artisanal craftsmanship and audiophile refinement to discerning enthusiasts worldwide, offering a glimpse into the unparalleled legacy of Sonus faber's flagship systems.
