EISA AWARD ★ | **Best Product** 2023-2024
HIGH-END STREAMING AMPLIFIER
Hegel H600

The EISA award-winning Hegel H600 just got even better!

At Hegel, we not only strive for excellent sound but also for ease of use. Our goal is to be the best possible endpoint for the music and audio services people use in their daily lives. With H600 we are closer to reaching that goal than ever. The streaming platform in H600 is the most powerful of any Hegel product to date. That means it is also highly upgradeable and future-proof, with new features and services being added as they become available.

Hegel is proud to announce that the first of these upgrades is Chromecast built-in. Because Chromecast built-in fits perfectly with our philosophy of great sound and ease of use.

With Chromecast built-in on Hegel H600, your phone becomes your remote. Simply tap the Cast button from apps you already know and love. No new logins or downloads are required. Use your phone to search, play, pause, and turn up the volume from anywhere in the home. While you're streaming, you can keep using your phone for other things – scroll through social media, send a text, and even accept calls. You can even enjoy music throughout your house when you use multi-room casting with Chromecast-enabled speakers. Chromecast built-in works with hundreds of apps and new apps are being added all the time.

To start using Chromecast built-in, a short setup procedure is required. Just download the Hegel Setup app on Google Play or Apple® App Store® and follow the instructions in the app.

Tech Specs

Power output	**2*303W in 8 ohms, Dual Mono**
Minimum load	**2 ohms**
Analog inputs	**2*Balanced (XLR), 2*Unbalanced (RCA)**
Digital outputs	**1*Coaxial (BNC) S/PDIF - 24/192**
Digital inputs	**1*Coaxial (BNC) S/PDIF - 24/192, DSD64(DoP), MQA 8x**
	1*Coaxial (RCA) S/PDIF - 24/192, DSD64(DoP), MQA 8x
	3*Optical S/PDIF - 24/96, MQA 8x
	1*USB - 32/384, DSD256(DoP), MQA 8x
	1*Network - 24/192, DSD64, MQA 8x
Line level outputs	**1*Unbalanced fixed(RCA), 1*Unbalanced variable(RCA)**
Streaming	**Chromecast built-in, AirPlay, Spotify Connect, Roon Ready (pending), Tidal Connect, UPnP**
Streaming formats	**MP3, WAV, FLAC, ALAC, AIFF, DSF, DFF, AAC, PCM, MQA, Ogg**
Frequency response	**5Hz-100kHz**
Signal-to-noise ratio	**More than 100dB**
Crosstalk	**Less than -100dB**
Distortion	**Less than 0.005% @ 50W 8 Ohms 1kHz**
Intermodulation	**Less than 0.01% (19kHz + 20kHz)**
Damping factor	**More than 4000 (main power output stage)**
